

Apple Store for Education

Through an agreement with Apple, Galen offers a benefit of special education pricing ([Education Store Price List](#)) on select Apple computers and software. This benefit is for all students, teachers, administrators and staff of all grade levels, home-school teachers, and even parents buying for a college student.

To shop for yourself, follow these steps:

1. Go to the [Apple Store for Education](#) website
2. Enter the main campus zip code: **40207**
3. Select **Galen College of Nursing**
4. Click on the **Shop for Yourself** button at the bottom

Discounts vary depending on the product you're purchasing, but can be as high as \$50-\$100. There are some limitations to this benefit. Visit the [Sales Policy page](#) for more information about eligibility, refund policies, quantities and more.

*** If you have recently purchased eligible Apple products and didn't know about the education discount, you may call Apple's customer service at 1(800) 676-2775 to ask for a price adjustment.

If you have any further questions about Apple products, need to get pricing or place an order, feel free to call Chris at his direct line listed below. He can serve as your dedicated and personal consultant for the Apple store.
