

HELP IN GETTING YOUR TEXTBOOKS

1. To find your booklist,
 - Go to the Galen College of Nursing website at www.galencollege.edu.
 - At the top of the page, click Campuses.
 - Click the photo of the Louisville campus.
 - At left, click Resources.
 - Scroll to Campus Booklists.
 - Click the link for your program's list.

Your booklists are also posted in Canvas.

1. You should verify you have the right book by looking at multiple info items. So, check the title, author, and edition number and always check the ISBN. That's the long string of digits at the end of each entry on the booklist.

Van, L., & Wilkinson, J. (2010). *Fundamentals of nursing: Theory, concepts & applications*. (2nd ed.). Philadelphia: F.A. Davis. 9780803623545

2. Booklists can change each quarter, so buy only what you need one quarter at a time.
3. Ways to buy your books:
 - ❖ Publisher websites such as <http://portals.elsevier.com/portal/galen>
 - ❖ [Gray's College Bookstore here in Louisville](#)
 - ❖ You can walk into a Barnes & Noble and they will order them for you
 - ❖ You can buy them used on half.com or www.abebooks.com
 - ❖ You can rent them instead of buying at www.chegg.com. Half.com also rents.
 - ❖ You can see if other students are selling them either at www.craigslist.org (type in 'Galen' under books), or from the Zorn Campus 3rd floor bulletin boards near Room 304
4. The library attempts to hold at least one copy of every textbook in the Galen Louisville curriculum so that students are never without access to these important resources. Current textbooks are kept behind the desk - please ask library staff for help when you need them. To help ensure availability, these textbooks must be used in the library and cannot be checked out. The library may also have older editions that *can* be checked out shelved in the circulating stacks.

Please don't hesitate to get in touch with Campus Librarian Joe Price at jprice@galencollege.edu or 502-410-6278 with any other questions.
